Hearing Will Soon Be Held To Decide Emerald Bay Road

A public hearing will be held late in August or early in September to hear arguments for and against various routes to provide access to the Emerald Point lakeshore.

Many local organizations, including the Lake Tahoe Sierra Chamber of Commerce, the Lake Tahoe South Shore Chamber and others have voted in favor of a low-level highway with a bridge across the mouth of Emerald Bay and a viaduct to the shore.

This route has received the endorsement of most of the people in the area which it will serve, but has been opposed by some members of the beaches and parks board who charge that it will interfere with full development of two state parks.

This group as well as others, who have only remote interest in the development have proposed a high-level road which would entail the construction of a tunnel in the mountain above the bay and which could not be developed into a four-lane route in the future.

The cost of the high-level road would be greater than the bridge and viaduct and might still not provide for year around use because of the nature of the terrain through which it must be built.

The present road has been a source of annoyance as well as hazardous. It is generally closed during the winter because of the impossibility of keeping it open due to snow, rock and earth slides. These same slides might occur even with the proposed tunnel, it has been pointed out by proponents of the low-level plan.

Truckee Drivers Score In Racing

The 1960 R. S. C. A. champion, Arlan Robinson of Reno won the July 29 main event staged at the Reno Speedway. Robinson was followed by Bob Baker of Reno and three of the Truckee drivers.

Harry Causey finished third, with Ron Gautsche and George Davis finishing fourth and fifth respectively.

Previously undefeated challenge race champion Bill Aten of Reno went down to defeat at the hands of Harry Causey. Causey has been challenged by Arlan Robinson and the race will be run off Saturday night.

Causey turned 18.14 seconds for the fastest time of the evening. Bob Baker turned in the second fastest time and George Davis and Red Harris recorded the third and fourth fastest times.

Causey has 378 points and is second in the standings. Ron Gautsche in third place in the standings has 325 points. George Davis occupies 10th place with 237 points closely followed by Red Harris with 218 points.

FIRE FILMS WILL BE SHOWN AUGUST 5TH

KINGS BEACH—Fire Chief J. C. Fulton has extended an invitation of all parents, teachers and other responsible citizens of the North Shore area to attend a half-hour movie at the Brockway Theater in Kings Beach Saturday, August 5 at 1 a. m. which is sponsored by the North Tahoe Fire Protection District.

The film is being brought from the California fire marshal's office and is a dramatic portrayal of fire in schools.

"The film," Fulton said, "points a finger at all of us—as a powerful force of public opinion and insistence, for the answer to just when our obligation will be faced up to all the schools throughout the land."

The film will also be shown at a meeting of the fire department and to service clubs in the district, Fulton said.

HEALTH ASSOCIATION IN COUNTIES FORMED

An area tuberculosis and health association has been formed composed of Placer and Sierra County associations. This announcement was made jointly today by President Ruth Ramshaw of Placer and President Margaret E. Lambert of Sierra.

Plans for this step forward have been in the talking stage for more than a year and were completed at two recent meetings, one held in Downieville on June 29, where the Sierra County board voted to participate in the merger. The final vote was taken by Placer County board at a special meeting on July 18. The union will be completed and Sierra office moved to 139 Agard Street, Auburn, by January 1, 1962.

Visitors Here—

Recent visitors at the Walter Barrett home were Mr. and Mrs. William Storkman of Woodland and Mr. and Mrs. Frank Barrett of Boise, Idaho.

From South—

Mr. and Mrs. John Petiti of southern California have been visiting relatives and friends in Truckee.

Construction Starts On Another Link Of Sierra Freeway

Construction has started on the next to last link in the conversion of U. S. 40 to a four-lane freeway between Sacramento and the Nevada state line, according to an announcement by state highway officials at the Marysville district office. The route is also a part of Interstate Highway 80.

The latest project in the rugged Sierra Nevada extends from the completed 0.8-mile west of Emigrant Gap to just beyond the junction of State Sign Route 20 which is about three miles west of Cisco Grove. Total length of the section is 5.4 miles. Emigrant Gap is about 40 miles northeast of Auburn.

Under contract to Guy F. Atkinson Co. of South San Francisco, the divided freeway will follow a straighter alignment in the vicinity of the existing highway. Traffic will continue to use the old road during construction. At certain locations vehicles will be routed over specially built bypasses around work area. Two-way traffice will be maintained at all times.

Current estimates predict com-

(Continued on Page 8)

Social Affairs Will Be Staged By Club

A large group turned out Saturday night for the western dance and midnight chuckwagon sponsored by the Shadow Valley Country Club for members and their guests. Pete Talent and his orchestra came in western attire and played throughout the enjoyable evening.

The decorating committee, headed by Jane Garwood and Patti Fink, did an exceptional job with the western decor being carried outside the clubhouse with wagon wheels, a covered wagon bar, horseshoes and saddles all well placed under the glow of outdoor lanterns.

Marge Walker arranged for the food through Smart's Cafeteria and received many compliments for her efforts.

The club is making plans for another good time for its members next full moon with a possible hay-ride to the McKay Springs area, providing the weather is agreeable. If this becomes definite, all members will be notified and will be asked to sign up.

The next regular meeting of the club will be held on Monday, August 7 at 8 p. m. in the golf course clubhouse.

Members are reminded of the Scotch foursome to be held this evening at 6 o'clock.

HAROLD BERLINER IS PROMOTED BY FIRM

His many friends in this community will be pleased to learn of the appointment of Harold Berliner of San Francisco to the presidency of the Hockwald Company, a firm which he has represented as sales manager for many years.

Berliner was chairman of the California Olympic Commission, succeeding the late Charles Blyth in that capacity. He is the father of District Attorney Harold Berliner of Nevada City.

His many friends throughout Northern California will extend congratulations.

APPLICATION MADE FOR FLOATING PIER

TAHOE CITY—Edgar Hannagan of Tahoe City has submitted an application to the U. S. Army Engineers office at Sacramento for a permit to build a floating wharf outward from his present pier. Hannagan wants to construct a float outward from the pier in Lake Tahoe at Miraman Heights a mile south of Tahoe City.

Birthday On Vacation—

Mr. and Mrs. Art Kehm and sons, Errol and Gary have been vacationing with her parents, Mr. and Mrs. O. Giovannoni. While here, Gary had a birth date on July 28 that was the incentive for a picnic and swimming at Donner Lake, climaxed with a special cake, topped with 12 candles.

Family Visits—

Mr. and Mrs. Leslie Grow and Mrs. Edith Johnson had as their guests, the latter's grandson and family, Mr. and Mrs. Keith Hopkins and children, Billy, Michelle and Joelyn of Marshalltown, Iowa.

Saarni Leaving To Take Office With Cleveland Forest

Their many friends throughout this area will be sorry to learn that the Roy Saarni family will be leaving later this month to make their home in San Diego where Saarni has been transferred by the U. S. Forest Service.

For the past five years, Saarni has been ranger in the Truckee district of the Tahoe National Forest and he is being promoted to staff assistant to the supervisor of the Cleveland National Forest. He will be in charge of timber, grazing, recreation and land uses.

Saarni left yesterday to look over the new field and plan a home for his family in San Diego. He will return in a few days and make preparations for the move.

His replacement here has not been announced.

The Saarnis have been quite active in local civic affairs and he is a member of the Lions Club. Mrs. Saarni has been especially active in Girl Scout and Cub Scout activities and the family will be missed.

Bids Will Be Called Soon On New Port

The directors of the Truckee Tahoe Airport District had a regular board meeting Tuesday night. Letters from Senator Clair Engle and Congressman Harold T. Johnson were read and reports made that indicated the remaining obstacle to advertising for bids beginning the construction of an airstrip would be removed and bids called for within the next week.

The only remaining obstacle is the transfer of U.S.F.S. land to the district. An extended discussion took place over the proposed budget for the ensuing fiscal year and in the absence of the receipt of the current assessed valuation of the district, the budget was laid over for further consideration at a special meeting to be held Thursday, August 10, at 8 p. m. at the utility district office. Anyone interested is invited to be present.

REBEKAH OFFICIAL HONORED AT MEET

Goodie Mori presided at the official visit, July 26 of district deputy president Gladys Clemo and her marshal, Hazel Browning of Grass Valley to Naomi Rebekah Lodge No. 2.

Presentations were made by Pearl Heller and Janet Franklin to the dignitaries who were welcomed by a large delegation. The meeting hall was decorated with garden flowers and golden horseshoes with four leaf clovers an effective part of the motif, gold and green being the chosen colors of the lodge this year.

Following the ceremony Mesdames Rex Reid, R. Slack, Robert Bick and E. Olsen served refreshments. August 9 will be the next meeting date for the local members.

YOUTHS INVITED TO HORSEMENS MEET

James Sampson, who is organizing a meeting of horsemen and horse fanciers to be held at Hilltop Lodge at 7:30 p. m. Friday, called attention to the fact that the meeting is for young people as well as adults. He said a training program will be formed for children when the organization is completed.

The meeting tomorrow is primarily for the purpose of getting together for discussions and a later meeting will be held for the purpose of electing officers and forming a horsemen's association.

CIRCUS ENJOYED

Nearly 1000 children from the North Lake Tahoe, Truckee and Donner Summit areas were guests of El Ta Ho Shrine Club at the Shrine Circus in Reno Yesterday. Twelve big buses, each under the charge of a Shriner were used to transport the youngsters to and from the circus. The Shriners were also hosts to the children at lunch.

FIRES STARTED

Four small fires, all of which were quickly controlled resulted from the lightning storm over the area Wednesday evening, the U. S. Forest Service reported. Two of the four were back of Squaw Peak, one in Paige Meadows and the other east of Boca reservoir.

Big Fish Planted In Pool To Provide Tourist Attraction

TAHOE CITY—Tourists and natives alike may soon be able again to enjoy one of Tahoe City's best known attractions—the school of monster trout just below the dam in the Truckee river.

Al Cordone, in charge of the experimental station at Tahoe City and Charles Spillner, local game warden, said that today 25 brood rainbows, ranging upward from two pounds each will be planted in the hole with perhaps more to come later.

The fish and game officials are puzzled over what happened to the school which inhabited the hole and which resulted in thousands of people stopping there during the summer to feed and watch the big trout. They plan to keep a close watch on the new school to determine if they will remain where they are planted or migrate.

The brooders to be planted today are from the Darrah Springs hatchery near Red Bluff.

At the same time, Cordone said that during September 200,000 cutthroat and kamloops will be planted in Lake Tahoe for experimental purposes. They will range in size from eight to ten inches long and run four to ten to the pound.

Local Girls Place High In Contest

The three Truckee entries in the Maid of Nevada County contest at Grass Valley shared well in the honors at the Saturday night finals, in which Postmaster Richard Higgins was one of the judges.

The contest was won by Linda McCombs of Grass Valley.

Second place honors went to Clarita Richards of Truckee, a 22 year old graduate of Brigham Young University, while Terry Ann Beck, another Truckee representative, was awarded fourth place and a gold bracelet.

Sandra Van Sickle, "Miss Donner Lake for 1961", also of Truckee was among the ten finalists.

Miss McCombs and her court will preside over the Nevada County Fair, after which she will compete in the Maid of California contest at Sacramento.

Dr. Lee Atkins, who was chairman of the Nevada County contest, presented the trophies.

YOUTHS WILL HOLD SQUAW MUSIC CAMP

Two hundred west coast teenagers will pass up bebop and rock 'n' roll for pops classical music and Fine Arts Camp to be held at Squaw Valley, August 7-16.

The camp will be sponsored by the Seventh - day Adventist churches of California, Nevada, Utah and Arizona, and will feature music and art interspersed with a generous mixture of fun.

The camp curriculum will include individaul and group individual and group instruction in voice, instrument, art and ensembles punctuated by practice periods, group rehearsals and will crescendo in a final concert on August 16.

The staff will be made up of instructors in music and art from several of the Adventist parochial high schools and colleges.

Time will be allotted each day for water skiing, ice skating, tennis, hiking, swimming and horseback riding.

ROBIN WATERS GIVEN PARTY ON BIRTHDAY

Mr. and Mrs. Roy Waters gave a Sunday afternoon party in honor of their daughter Robin, whose birth date was celebrated.

Appointments indicative of the event added to the happy affair for the little girl who opened gifts and served her special cake.

Traveling—

Mrs. William Reinhardt of Pasadena and Meeks Bay wrote that she plans to be out of the country until the first part of October.

From Sacramento—

Mr. and Mrs. Harold Hodson of Sacramento, former local residents, are vacationing at Ice Lakes and visited local friends last week.

From County Seat—

Mrs. S. A. Follett had as her house guest, Mrs. Blanche Snider of Nevada City.

Tahoe City Gains As Fund Approved For Pollution Work

TAHOE CITY — Tahoe City is among a number of California communities which are expected to be major beneficiaries of the water pollution act recently approved by congress and signed by President John F. Kennedy.

The new law probably will mean a speedup in time when federal funds will become available. The designated communities have been given top priority by the California Water Pollution Control Board and are first in line for allotments to the state.

The new legislation just about doubles the amount of federal funds which will be available for pollution control if congress, as expected, actually votes the money it has authorized.

The measure has the strong support of Congressman Harold T. Johnson of Roseville, who represents the second district.

A six year program would see the federal government putting up $570 million to help the local governments build new and improve old sewage disposal plants.

In the present fiscal year $80 million would be available and for fiscal 1963 $90 million is authorized.

A four year program after fiscal 1963 calls for federal contributions of $100 million annually.

NEW MARKET BEING OPENED HERE SOON

Truckee soon will have a new grocery and meat market.

Harry Raynor, well known here as the former manager of the meat department at Z Market and later at Truckee Mercantile, is converting the St. Louis Cafe on the main street into a new store.

The owner said he plans to be open by August 15 with a complete line of staple groceries, produce, dairy products, bakery items and a meat department. A few miscellaneous sundry items will also be stocked.

The entire interior of the building has been remodeled and new fixtures have been installed with shelves, refrigerated cases, a frozen food case and storage for meats and perishable items. Lighting fixtures have been changed to provide clear view of every item in the store.

A serve-yourself system will be inaugurated with a checkout stand near the door.

Raynor said the store will be on a cash and carry basis to permit lower prices in all departments.

RABIES CLINIC WILL BE HELD AUGUST 13

Dr. Elbridge Best, Nevada County health officer, again reminds local residents that the rabies immunization clinic will be held at the fire station in Truckee, August 13 between 10 a. m. and 12 noon.

"The importance of this protective measure cannot be overstressed," Dr. Best declared. "Rabies is a vicious disease for which there is no treatment. The victim, whether man or animal, always dies. The only defense we have is organized prevention."

Canine and feline owners are urged to bring their animals to the clinic. The fee will be $2 per each immunization.

BROTHER OF TAHOE WOMAN SUCCUMBS

George L. Serrano, 57, a resident of Sun Valley, California, died here this week while visiting at Tahoe City. The body is being shipped to Glendale and services and cremation will be held at Mountain View cemetery.

Serrano, who was in the buildinging materials business until his retirement is survived by his wife, Mrs. Eva Serrano and his father, Julian of Sun Valley and a sister, Mrs. Juliette S. Gaynor of Tahoe City.

Kuss Visits—

Mr. and Mrs. Frank Kuss of Sacramento visited friends briefly yesterday while on a vacation trip. Kuss was a former resident of Hobart Mills.

Feted At Party—

Mrs. Earl Smith was feted at a party given by girls of the homemaking class she has taught in the local high school.

In Capital—

Ann Morey is visiting relatives at Sacramento.

Chris Nielsen, Lake Tahoe Pioneer Is Dead At Age 93

TAHOE CITY—Funeral services for Jan Christian Nielsen, 93, colorful Lake Tahoe resort owner for 57 years, were held last week at Auburn. He died July 19 at an Auburn rest home where he had been a resident for the past four years.

The Nielsen's operated Sunnyside Lodge at Lake Tahoe for many years before selling it to Ralph and Monica Sears, the current owners.

While developing the lodge into one of the most popular at the lake, Nielsen had plenty of time for fishing and gained the reputation of being one of the best fishing guides at the lake. He was the first U. S. inspector of navigation at Tahoe under an appointment of President Theodore Roosevelt and served for many years as game warden and keeper of the Meeks Bay lighthouse.

Nielsen often recalled his friendship with Winston Churchill when the British statesman and his daughter, Sarah, spent the summer of 1906 in the Charles Kendrick home adjoining the Nielsen property.

Among others, at the turn of the century, the deceased waged a campaign to ban commercial fishing at Lake Tahoe, a campaign ending successfully in 1917.

After leaving Tahoe, the Nielsens lived at Sparks for 12 years before going to Auburn in 1958.

Nielsen was a native of Denmark and was a sailor before giving up the sea to go to Tahoe as a caretaker and fishing guide at the Dr. Charles Brigham estate near Emerald Bay.

He is survived by two nephews, James and Burt Nielsen and a niece, Kathryn Ballie, all of Los Angeles; two stepchildren, Mrs. Bessie L. Bonnenfant and Mrs. June Loveless of Auburn, daughters of Mrs. Hulda Nielsen, from whom he was divorced in 1943 and who resides in a rest home near Auburn. The second Mrs. Nielsen, Gertrude, died last year.

LAST RITES ARE HELD FOR W. RICHARDSON

Funeral services for Warren V. Richardson, 83, member of a pioneer Truckee family and active Reno business leader for many years, were held Monday. He expired in a Reno hospital where he had been a patient for two months.

At the time of his death, Richardson was president of National Oil and Burner Company and co-owner of Richardson - Lovelock, Inc., an auto agency.

A native of Truckee, the deceased was a son of the late Mr. and Mrs. Marshall Richardson. He graduated from the local schools and later from the University of California. He was a resident engineer for large mining firms in Nevada who built the Tonopah and Goldfield railroad.

He is survived by his wife, Elizabeth, a son, Warren B., a grandson, all of Reno and a brother, Raymond R. Richardson of West Palm Beach, Florida.

FUNDS ALLOCATED TO CLEAR RIGHT OF WAY

The California Highway Commission last week allocated $375,000 for clearing a portion of right of way from the future U. S. Highway 40 freeway between Hampshire Rocks and Cisco.

The work was budgeted at this time so that part of the clearing can be undertaken during the season of the year when burning is permitted.

MICHELLE DeLISLE IS FETED ON BIRTHDAY

Mr. and Mrs. Ernie DeLisle entertained 20 young friends of their daughter, Michelle on her tenth birth date, July 27. A delicious luncheon, after swimming in Donner Lake, later opening of gifts and the serving of a pink, blue and white frosted cake made the occasion a memorable one for all.

CORRECTION

Mrs. Irene Bussenius who died July 5, following a lengthy illness was not the sister of the late Matt Green as earlier reported but was a sister-in-law of Mrs. Matt Green. Her first husband, Joseph Duffee was a brother of Mrs. Green.

Sunday Party—

Mr. and Mrs. Charles Osburn entertained a group of friends Sunday evening in their home, following their return from a trip.

One Man Is Killed, Others Injured In Series Of Mishaps

One young man was killed and a second seriously injured about 8 p. m. Tuesday when their car was wrecked half a mile west from the foot of Donner grade.

The dead youth was Manuel Joaquin Azavedo, Jr., 21, of Davis, driver of the car. In the Tahoe Forest Hospital is Lester Lingenfelter, 21, also of Davis. His condition was described as serious but not critical.

The California Highway Patrol said it was evident that the car was traveling at too great a speed when it rounded the Frog Lake curve. The vehicle got out of control, careened across the highway and crashed into the rocks.

Lingenfelter was thrown from the car.

Patrolmen William Gautsche and Glen Virus made the investigation.

Azavedo's body was taken to the Truckee Colonial Mortuary.

Other Accidents

Eight year old Paul Barnes of Reno was injured, but not seriously, Saturday at 11 a. m. when he was striuck by a car driven by David D. Guy, 47, Menlo Park, when he dashed across the highway near the west end of Donner Lake. Guy was held blameless for the mishap.

Judy R. Pease, 18, Bijou, was hospitalized when the motor scooter she was operating hit loose sand and plunged off Highway 28 at Lake Tahoe at 4:30 p. m. last Wednesday.

James E. Billig, 46, Hagerstown, Md., and his passenger, Lee Dirstine, 52, were both taken to the Tahoe Forest Hospital after their car was struck in the rear near Soda Springs at 4:45 a. m. Sunday

(Continued on Page 8)

Two Issues Facing Meet Of Chamber

Two locally important questions are expected to be discussed and decided at the meeting of the Truckee Donner Chamber of Commerce to be held at noon next Wednesday at Smart's, Manager N. F. Dolley announced.

First is the issue of forming a recreational area, a question which has been before the chamber for the past several weeks. It is generally agreed that the group will sponsor the program but the best method for the formation is still undecided.

The second issue is that of the employment of an engineer to make a study of the district to determine whether or not incorporation would be advisable. This matter, too, has been under discussion for several weeks.

Petitions have been prepared and are ready for circulation to determine whether a recreational area is needed. However, there are several methods of operation and the chamber is studying these methods to decide which is most adaptable for the local need.

Supervisor H. G. Loehr has said he will sponsor the project before the board of supervisors if and when the chamber decides the best steps to take.

The principal purpose of forming the area would be for the district to gain control of the only remaining beach at Donner Lake and keep it open for public use.

LAUNCHING RAMP AT TAHOE IS APPROVED

Approval for joint state-federal construction of a public boat launching ramp and boat basin in Lake Tahoe near Tahoe City has been granted by the state lands commission.

The facility, to be built jointly by the state department of fish and game and the coast guard, will be built on the site of the abandoned Tahoe fish hatchery.

The commission granted a 49 year permit for the facility.

The basin and ramp will be constructed, the commission was told, so that it will be usable even at extremely low water levels.

Fish and game department spokesmen said the state interest is to provide more public fishing access to the lake. The coast guard will use the facility to provide lake access from a headquarters to be built nearby.

KALERS ENTERTAIN

Mr. and Mrs. J. E. Kaler had the following relatives as their guests in their summer home here: Mr. and Mrs. Irving Wilcox of San Jose, Mr. and Mrs. Frank Finnegan of Sacramento, Miss Charlotte Gates, Tom Gleason of San Francisco. The latter couple have set their wedding date for November 18.

Hunters At Donner—

Mr. and Mrs. H. E. Hunter of Alameda who have been summer residents at Donner Lake since 1923 are here for an indefinite stay and will be visited by their children and grandchildren during the season.

July Date—

July 24 was the birth date of Terry Walker who was feted at a family party.

WOMAN IS WINNER IN ONE-DAY, 100-MILE SIERRA HORSE RACE

AUBURN—The hotly contested 100-mile Tevis Cup Trail Ride from Lake Tahoe to Auburn was won Sunday by a young Auburn woman who in winning, set a new record for the rugged horseback trip across the Sierra.

Drucilla Barner, riding a 10-year-old, three-quarter Arabian gelding, made the trip from Tahoe City to the Placer County fairgrounds here in 13 hours and two minutes, arriving 11 minutes ahead of second place winner Ernie Sanchez of Olma, Contra Costa County, who covered the 100 miles in 13 hours, 13 minutes and 27 seconds. It was the first time a woman ever has won the ride.

More than 20 riders from all parts of California and Nevada took part in the one-day ride which annually attracts the west's best trail riders and horses.

The one-day ride had been preceded by a five-day trip across the same trail in easy stages by a large number of riders. The large group left Lake Tahoe during midweek so they would arrive in Auburn at approximately the same time the one-day riders arrived.

Chongo, the Nevada County Muleteers entry in the exhausting race, ridden by Joan Harris of Whittier, completed the trip in 22 hours and 50 minutes, qualifying for a belt buckle and a bell band for the mule.

DONNER DOINGS

By VIRGINIA O'BEAR

It is wonderful to be doing Donner Doings again after a two week vacation. Of course most of you know how I've spent the two weeks as I received so many nice get well cards, messages, plants and flowers. I wish to thank all of you for making my hospital stay and recuperation at home so pleasant. I had quite an experience those five days in St. Mary's Hospital. I met a lot of nice people and when I first went in I ran into Nancy Brodie in the hall as she was just going home. Nancy had been there several days as she had surgery, too. It was so good to see a familiar face upon arrival but by the time I left, I just wanted to sleep and rest. Now all you people who have had surgery recently can get together with me and we will compare notes on our operations! I especially want to talk with Robert Pankoke as he had one a couple of years ago, so he told my son, and it has me very curious.

* * *

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met at Smart's July 20 with Vice President Janet Franklin presiding. A very interesting meeting occurred as reports were given from the various committees working on the Donner Lake regatta. Guests at the meeting: Mary Ellen Brodie, sister of Dr. Douglas Brodie, was with Nancy. Pat Rich came with her mother, Maybelle Vahey and Gil brought Ruth Knight, a nurse at the Tahoe Forest Hospital. Georgianna King and Gertrude "Gil" Gilson were hostesses. The next board meeting of the officers will be held at the home of Mrs. Robert Pankoke, August 14. The next meeting date will be August 17 with hostesses for the month and the place to be announced next week.

* * *

Mr. and Mrs. Charles Waite of Santa Rose are bringing their 17-year-old daughter up this week to help me out until school starts. I will be very happy to have Sharon here as she and the children get alóng famously. I was very fortunate to have our relatives visit us when they did as they "took over" with the work. Dave and Sherri were here, Mom and Pop O'Bear and we had Charlie's uncle and cousins here, Dutch, Cecil and Nancy Heitz.

* * *

Mr. and Mrs. Don Hageman and family were up from the bay area and it was their first trip here since the snow. They say Donner Lake is even more beautiful in the summer, but to me, Donner Lake is beautiful all of the time.

* * *

Mr. and Mrs. Morgan Greenwood and family are vacationing at the Milan Wight cabin and have been busy boating and swimming. They come up every year for a week. Milan was busy all last week working on the cabin and has installed two large windows in front of the cabin.

* * *

Mr. and Mrs. Lester Johnson and Mr. and Mrs. Hap Warnke have really improved their homes with a new paint job. The Johnson's home is really outstanding with the beautiful green trees in the background. The Warnke's home looks so nice and they have a sign out now in front, too.

* * *

Mr. and Mrs. Carl Perutz and young son Peter spent a few days at Donner Lake last week. They are residents of New York and came to visit Mrs. Perutzs brother, Jack Livingston. Mrs. Perutz is known professionally as Lida Livingston and is vice president of the CCI Division of Communications Affiliates, Inc. in New York. Lida is well known in Los Angeles and Hollywood as she works closely with all of the columnists. I enjoyed visiting with her very much as we have a few things in common. They will be back again next year and I am looking forward to the visit very much as her husband is a professional photographer and we all had lots to talk about.

* * *

I think we finally have some good news for people living at the west end and over across the lake. I have been working on getting a telephone booth or some type of emergency telephone service in case of fire, etc. I will know sometime this week after a talk with Mr. de Gallery, manager of the telephone company. I have received so many letters and phone calls from people in that area who are interested in getting telephone service over there in the woods. Since I have this column, they come to me with their problems and naturally we want all of our property owners happy. Since Donner Lake is growing in leaps and bounds with homes being built all over, we need extra services like telephone booths.

* * *

Our Donner residents are mighty proud of Clarita Richards. She was first runner up to the Maid of Nevada County last Saturday evening and received a beautiful trophy and a good size merchandise order. We wish she had won the title of Maid of Nevada County which went to Linda McCombs but we are proud of her for being first runner up. Other details elsewhere concerning the contest in the Sierra Sun.

NEVADA COUNTY LOW AS FARMING CENTER

SACRAMENTO — (CNS) — Nevada County ranked 47th in the state in gross value of agricultural production in 1960, with a total of 2,890,000 for the year, the department of agriculture reported.

The summary of 1960 gross values of crop and livestock production reported by county agricultural commissioners showed the county production included $451,000 in field and seed crops; $6,000 in vegetable, melon and potato crops; $347,000 in fruit and nut crops; and $2,086,000 in livestock and poultry.

Washington's northern Cascades and California's Sierra Nevada are parts of the same mountain chain.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

No. Tahoe Village—Store B
Kings Beach, Placer County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

ON-SALE BEER

Anyone desiring to protest the issuance of such licenses may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

MEALS AND DRINKS YOU WILL ENJOY

NORTH TAHOE BRIEFS...

... By BETHEL

Vera Moser and Eda Judy of Kings Beach spent the day Wednesday calling members of the Methodist Community Church to acquaint them with the WSCS and the fact there is a new minister and his family now occupying the pulpit and parsonage.

Happy birthday, Vera Moser, on July 26 she was 73. A more active, interesting or busier person would be difficult to encounter! and who doesn't know Vera either at Tahoe or Hawaii? Plans to tour Canada later this summer, leaving her car there and taking a boat back to Hawaii for the winter, and returning in the spring by the way of Canada where she will pick up her car.

Celebrating her birthday as a guest of Harrah's at the South Shore Room with Vera were son, Rod Campbell and wife Eleanor, all of Crystal Bay.

Vera is also president of the Women's Society Christian Service of the Methodist Community Church at Kings Beach.

New to the Kings Beach Methodist Community Church parsonage is Rev. Richard W. Fowler and wife Freda and children, Richard, five years old, Patricia, three years old, Susan, two years old and five months old, Cheryl. The Fowlers moved to Kings Beach from Hayward and prior to that address were three years in Springfield, Illinois where Rev. Fowler attended the Concordia Seminary. Prior to entering the ministry, Rev. Fowler was an accounting and electrical engineer and had traveled Europe setting up accounting books in English for American corporations. Among the countries most traveled were Holland, Italy and Sicily. This is the first call for Rev. Fowler and he is continuing his course of study at the University of Nevada at Reno.

Red Cross swimming classes proved a huge success and were extended for a two weeks period, and were held at the Connie Wainscoat pool at Kings Beach. Assistants were Frank Austin, Marguerite Austin, Paula Gurney, Mary Anne Ferguson, Lois Watson, Lorraine Briscoe, Chris Hoffman, Carla Baxter, Jack Ragsdale, with

(Continued on Page 5)

HOME AWAY FROM HOME—California's numerous sites where trailers can be parked make it easy to combine fun of travel and camping with comforts of home. Carol Lane, women's travel director of Shell Oil Company, says vacation trips get a new lift with a family-size trailer. For a family of four, an adequate trailer, 15 feet long, rents for about $40 a week. "When you are ready to settle down for the night, pull off the road and turn in, but be sure to get the owner's permission if you are on private property," says Miss Lane. "If you have a self-contained trailer, you can camp almost any place. If your trailer is not completely self-sufficient, you may prefer a trailer park or state park, where you'll find toilets, showers, laundry facilities and fresh water."

Texas Counties

There are 254 counties in the state of Texas.

Aluminum Leader

Washington is the nation's leading producer of aluminum.

SPEED LIMIT CHANGE AT LAKE ANNOUNCED

An existing 35-miles-per-hour speed limit has been modified and a new 45-mph zone established on 1.7 miles of State Sign Route 89 along the west shore of Lake Tahoe beginning just south of the Truckee River bridge at Tahoe City and running south to near Park Avenue in the Lake Tahoe Park area.

The existing 35-mph zone that runs south over the bridge from Tahoe City has been extended about 800 feet. The previously unzoned stretch from there south to Park Avenue has been now designated 45-mph.

State highway officials at the Marysville district office said that enforcement of the new reduced speed zones will become effective with the installation of signs during the first week of August.

The reduction from 65-mph to 45-mph was ordered after traffic engineering surveys indicated that the limitation was warranted for the safe, orderly movement of vehicles through the resort area.

PARKING FEES DOWN AT SQUAW VALLEY

The state division of beaches and parks has reduced the automobile parking fee at Squaw Valley State Park so that it will agree with fees in existence at all other state parks.

Paved and protected parking at this park will be 50 cents per automotive vehicle per day, and $2 per bus, or automotive vehicle carrying 10 or more passengers. These rates will be uniform throughout the year.

A fee of $1 per car during the summer months and $2 per bus had previously prevailed at Squaw Valley.

RABIES CLINIC WILL BE HELD AUGUST 13

Dr. Elbridge Best, Nevada County health officer, announced this week that a rabies immunization clinic will be held in Truckee August 13 between 10 a. m. and noon at the fire station.

Dr. Best pointed out that there had been nine reports of dog bite in the county since June 1 and warned that all bites must be reported to the health authorities. It was also emphasized that Nevada County has been declared a rabies endemic area and rabid skunks and bats have been located close to residential areas. None of the cases were reported in the east end of the county.

All pets should be immunized at the clinic and a single immunization protects the pet for more than a year.

A modern power plant in Ireland, opened in 1950, burns peat to produce electricity.

GUSHER!

Lake View, California—first and foremost boom town in history

GOLDEN MOMENTS

In California history—thousands hit a new peak in prosperity when the great Lake View gusher blew in more than 61 years ago. 90,000 barrels a day!

In California life—part and partner in our modern prosperity is beer. Last year the Brewing Industry purchased over $8.5 million worth of California farm products—one more reason why beer means better living for all in the "Golden State."

TAHOE BRIEFS

(Continued From Page 4)

90 children registered. Graduating into intermediate were Diana Astle, Donnie Austin, Eddie Baker, Carol Elser, John Gorrindo, Joseph La Sassa, Warren Quartley, Craig Watson and Ann Felte.

Doris Sage of Oklahoma City was a house guest at the home of her brother and his family the Harold Tillers of Incline Village.

Margie Mandeville of Kings Beach was chairman of the teen-age dance held at the Fireside Room and sponsored by the Kings Beach Community Methodist Church Thursday evening.

Mr. and Mrs. David Stanley Russell are guests at the home of Alice and Dick Jarrett at Tahoe Vista. Mrs. Russell is the former Catherine Shipp, and was married July 1 at Pasadena. Catherine is the daughter of writer Cameron Shipp.

Also visiting the Dick Jarretts at Tahoe Vista, are the Albert Grays of Llano, California.

Mary Lou Morgan of Belmont is visiting grandparents, Duff and Virginia Casella at Kings Beach for the summer.

No hostess luncheon was enjoyed at Cal Neva on Wednesday to introduce the minister's wife, Freda Fowler. Attending were Pearl Draney, Louise Walter, Alice Hall, Mabel Coulter, Marguerite Ashton, Eleanor Campbell, Bethel Van Tassell, Ellen Templeton, Ann Tiller, Doris Sage, Marian Mueller, Helen Ehlers and Mrs. Fowler.

Dick and Ruth Lavery of Agate Bay have received a postcard from Joby and Helen Lewis from Paris, France. The Lewis' are on a round the world flying trip.

Fred "Tobey" Lugviel of San Jose has been visiting the Walkers at Tahoe Vista. Formerly of Cheyenne, Wyoming, Tobey was a well-known rodeo rider and holds many awards. At present, is an engineer with Accent Amino Division of International Mineral Chemical Corporation at San Jose.

Interesting visitor to Tahoe Vista and Bethel Van Tassell is Edith S. Coliver of San Francisco. Edith and children, Sandy, 6, and Susie, 8, are San Franciscans.

Come January Edith is scheduled to speak to the Women's Club of North Tahoe and other organizations who will sponsor the speaker, about the work she is doing with the Asia Foundation, of which she is program specialist. This is a private, non-profit agency with offices in 15 countries of Asia from Afghanistan east to Korea and headquarters in San Francisco. The foundation's work is concerned chiefly with social, cultural and educational development work, based on the needs and desires of Asian individuals, organizations and institutions themselves.

Edith's work is primarly centered upon providing international exchange of experience for women's organizations, journalism groups, writers and cultural organizations and student personnel services. In this capacity a trip is scheduled to take her through Asia, Japan, the Philippine, Hong Kong, Thailand, Malaya, Pakistan, India, Ceylon and Afghanistan. Husband, Norman Coliver, is a prominent San Francisco attorney, who will attend the international law conference "World Peace Through Law" to be held in Tokyo in September.

After their respective tours, the Colivers will then visit the Soviet Union as tourists.

Prior to her work with the foundation, Edith served as research analyst with the Stanford Research Institute, during the war was with the office of war information as propaganda analyst, following which she was court interpreter at the Nuremberg trials for over a year. A native of Karlsruhe, Germany, coming to San Francisco in 1938, a Phi Beta Kappa graduate of the University of California, and with background mentioned above, a most interesting speaking engagement is assured.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — A measure which transfers the authority of California courts to the state department of agriculture, was among the "little bills" which were signed by Governor Edmund G. Brown to confuse farther the powers of the state to fix milk prices and thereby maintain a legalized milk trust.

The measure was AB 2104, by Assemblyman Carley V. Porter, Compton, who in the past has been the chief handler of bills from the milk trust. In this instance, it was the Dairy Institute of California which sponsored the bill. The institute is commonly known as the representative of the state's big dairy distributors.

Aside from legalizing milk wars, which the milk trust sought to eliminate competition back in the 1930's, the measure robs the courts of their authority to interpret the law, and hands that authority to the director of agriculture.

How it works is this: Should a small milk distributor sell his product under the state-fixed minimum price, the director of agriculture could abolish all minimum prices in the area affected, and permit all distributors in that area to sell at any price, as no state minimums would be in effect.

Previously, a court injunction had to be sought against the distributor who was selling below minimum, and the court decided whether such an injunction should be granted.

The Porter bill, however, circumvents the courts. And under the bill, big distributors could, if they so chose, cut prices to run the little distributor, whose cost of distributing could be lower, right out of business, and thereby maintain the monopoly they now enjoy, with prices going up later to make up the deficits caused by the milk war.

The department of agriculture worked with the Dairy Institute to get this bill passed. The department says it is necessary because courts, very often, did not grant injunctions to halt what they term violators. Of course, if a court failed to grant an injunction, the small distributor could hardly be called a "violator," as the court would have assumed the below fixed price distributor was doing the right thing in giving housewives and babies cheaper milk.

But because the courts might fail to act, or have failed to grant injunctions in the past, the milk trust and the department of agriculture have successfully put the courts out of the picture, and turned the interpretation of the milk control law almost wholly over to bureaucracy.

The milk control act, which destroys free competition, is bad enough without complicating it by putting wholly dictatorial powers in the hands of the department of agriculture, and placing the power in the hands of the milk trust to destroy the small distributor.

Literally, the Porter bill could lead to complete abolition of the milk control law, which has been done in some states, thereby placing the business of distributing milk back in the field of competition instead of in socialistic, government price-fixing control.

Thus, if the Porter bill can do this, it might be worth while. Its weak spot is in eliminating the authority of the courts and substituting this for the bureaucrats.

FIRES IN STATE PASS 135,000 ACRE MARK

Already during 1961 forest fire losses in California have passed the 135,000-acre mark—or nearly two-fifths the total losses suffered during all of last year.

And the so-called "fire season," or the period when forests and ranges have had maximum exposure to late summer sun, is still several weeks away.

These facts were pointed out by the headquarters of Keep California Green, Inc., the state's volunteer citizen and industry organization dedicated to reducing fire-caused destruction of California forest and range resources.

According to today's Keep Green survey, eight fires, amounting to 1,000 acres or more, have thus far destroyed 130,000 acres. The balance is accounted for by several score lightning and man-caused blazes ranging from spot fires to several hundred acres.

If the current trend continues—and it is the fear of public officials and private foresters that this is to be the case—1961 losses can be the highest in the last several decades.

The exceptionally dry season, on top of two similar years of rain shortage, has dried up forests far ahead of schedule. Large fires are not uncommon at this time of the year, Keep Green points out. However, severe devastation does not usually occur until late August.

Records show that two thirds of all fires are man-caused, and therefore can be prevented. For example, California last year suffered 6,447 fires of which 4,105 were preventable. The balance of 2,342 were started by lightning.

The sting of most scorpions is only strong enough to paralyze or kill those insects on which they customarily feed.

NOTICE OF LAND EXCHANGE

Notice is hereby given that KUHN AND MILLER, a co-partnership of Sacramento, California have filed in this office under the Act of March 20, 1922, (42 Stat. 465), as amended by the Act of February 28, 1925 (43 Stat. 1090) and the Act of June 11, 1960 (74 Stat. 205), application to exchange land for land within the Tahoe National Forest, California. The applicant offers the following described lands: MOUNT DIABLO MERIDIAN-California, **T. 15 N., R. 15 E.,** Sec. 3, All; Sec. 5, All. **T. 16 N., R. 15 E.,** Sec. 27, All; Sec. 33, All; Sec. 35. Lots 3 and 4 of the NW¼, S½NW¼, SW¼; in Placer County, California, and ask that they be granted in exchange the following described land: MOUNT DIABLO MERIDIAN-California,

T. 16 N., R. 16 E.,
Sec. 32, N½SE¼, N½N½SW¼-SE¼;
Sec. 33, N½NE¼NW¼, SW¼-NE¼NW¼, NW¼NW¼, N½SW¼NW¼, SW¼SW¼-NW¼, NW¼NW¼SW¼.

T. 17 N., R. 17 E.,
Sec. 2, NW¼SW¼, S½SW¼;
Sec. 12, SE¼NE¼.

Fractional T. 17 N., R. 18 E.,
Sec. 18, Lots 1 and 2, N½ Lot 6, Lot 7;
Sec. 30, Lots 5 and 10.

T 18 N., R. 17 E.,
Sec. 34, SE¼SE¼;

in Placer and Nevada County, State of California

The purpose of this Notice is to allow all persons claiming the above described selected land, or having bona fide objections to the exchange as proposed herein, an opportunity to file their protest with the Regional Forester. Any protests or objections must be filed within thirty (30) days after date of first publication of this Notice, with the Regional Forester, 630 Sansome Street, San Francisco 11, California.

A. Allen McCutchen
Acting Regional Forester

Date of First Publication: July 27, 1961.

BEACH DESIGNATION AT LAKE IS ASKED

TAHOE CITY—The Tahoe Pines Association has asked the county to designate what portion of the beach at Lake Tahoe at Tahoe Pines between Grand Avenue and Blackwood Creek is public, and what portion is private. The association intends to improve the public portion of the beach.

In a letter to the supervisors, the association stated that several property owners in the area deny that any portion of the area in question is dedicated public property.

The county was also asked to define the limits and extent of Talac Avenue, the association stating that residents of that street state that the street is private and not a county road.

Both requests were referred to the public works department.

APPLICATIONS BEING TAKEN FOR SIERRA

Young men and women planning to register at Sierra College for the fall semester, 1961, should submit applications now. A record enrollment is anticipated for the first semester on the new campus.

In addition to the application for admission, prospective students must have a transcript of their high school record, and a transcript of any college work they may have completed, sent to Sierra. They must also complete the guidance tests.

Testing will be conducted on the new campus according to the following schedule:

August 9 at 7 p. m.; August 19 at 9 a. m.; August 21 at 7 p. m.

Sierra College handles all registration by individual appointments with program advisors.

FARMER EMPLOYERS TOLD OF NEW CODE

Some 774 farmer-employers in the counties of Placer and Nevada, as well as many other employers of agricultural labor served by the Placerville audit district office of the department of employment will be affected by a 1961 amendment to the California unemployment insurance code (Assembly Bill 1663) which extends disability insurance and hospital benefit coverage to agricultural workers.

Scot C. Harrington, departmental auditor in charge, said he will be glad to provide detailed information to individual farmers on request to assist them in determining their status under the new law. Department of employment headquarters in Sacramento will send registration forms and instructions to about 35,000 employers of agricultural labor who will be identified by federal records available to the state. Auditor Harrington requested, therefore, that farmers wait until after September 1, before contacting him.

LOS ANGELES MAN IS ARRESTED AT TAHOE

TAHOE CITY—Morton M. Gainsborough, 43, of Los Angeles was arrested at Lake Tahoe last week on a warrant issued by the Los Angeles police department.

Gainsborough is charged with two counts of forgery and is being held on $5,250 bail. The arrest was made by Deputies Edward Hunt and James Baker of the Tahoe substation.

GOVERNOR WARNS OF STATE FIRE DANGER

Governor Edmund G. Brown has issued an urgent plea to Californians to help prevent forest fires.

Brown made the plea while declining to cancel the opening next Saturday of the coastal deer hunting season.

He said it would be unfair to deny hunters and fishermen access to lands which still would be open to others and that it has been determined that sportsmen are responsible for only a fraction of the man caused blazes.

"Three critically dry years have created extremely dangerous fire conditions throughout most of the state," Brown said.

"Once again I urge all citizens—sportsmen, hikers and others who will be enjoying this summer and autumn—to guard against fire."

He offered these rules for outdoor fire safety:

1. Outdoor fire should be treated as carefully as high explosives. Open fires should be started only in designated safe areas or areas cleared of flammable materials.
2. Fires should be lighted only when necessary. Campers should be urged to use as much pre cooked food as possible and light only small fires.
3. Users of outdoor fires should drown them completely when they are no longer needed. This includes camp fires even when persons are sleeping nearby.
4. No fires should be started in camps where no water is available.
5. Users of vehicles and industrial equipment operating in areas where combustible material exists should check their equipment daily to ascertain that such things as broken exhaust pipes will not start fires.
6. Smokers should never smoke while traveling or moving through fire hazard country, particularly when walking or on horseback.

ALL-TIME RECORD IS SET AT PLACER FAIR

ROSEVILLE — An all-time attendance record of 28,925 persons was chalked up Sunday at the Placer County Fair, as gates clanged shut on a five-day run blessed by good weather and a jam-packed program.

Sunday's turnstile count reached 6,866, the second highest one-day total in the fair's history. Highest was 9,189, counted Saturday.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Evening services will be held the third Wednesday of the month during July, August and September only.
The spiritual foundation of divine healing will be emphasized at Christian Science services Sunday.
Included in the Lesson-Sermon entitled "Spirit" is the account in Matthew of the healing by Christ Jesus of the man with the withered hand.
One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 51) describes the basis of Jesus' healing mission in these words: "Jesus was unselfish. His spirituality separated him from sensuousness, and caused the selfish materialist to hate him; but it was this spirituality which enabled Jesus to heal the sick, cast out evil, and raise the dead."
The Golden Text is from Zechariah (4): "Not by might, nor by power, but by my spirit, saith the Lord of hosts."

BE CAREFUL WITH FIRE

Families Here—

The Grass Valley post office employes and their families spent the day, July 30 at Donner Lake for their annual outing and picnic on this side of the mountains.

Kearneys Vacation—

Mr. and Mrs. Philip Kearney and four children of Corte Madera have been vacationing at Donner State Park and looking up friends of many years.

CONSTRUCTION

(Continued from Page 1)

pletion of the job sometime in the latter part of 1963.

Three interchanges are included in the project: one between Emigrant Gap and Carpenter Flat, one at Yuba Gap, and one at the SSR 20 junction. An overhead structure at Emigrant Gap will cross the raidroad tracks under the freeway.

Only one section of U. S. 40/INT 80 on the 120 miles between the Capital and Nevada now remains which is not either completed or under construction. This is the 6.3-mile stretch from SSR 20 junction to Hampshire Rocks three miles east of Cisco Grove. It will probably get started next year.

The 5.1-mile unit from 0.8-mile west of Monte Vista to 0.7-mile east of Baxter is about 75 per cent complete and is expected to be finished by the end of the year.

The grading and construction of bridge structures on the 10.5-mile section over the rocky Sierra summit is being done under two separate contracts — one for the west side and one for the east.

Both are expected to be completed by next year, weather permitting.

These two jobs will be followed by a third contract which will include the base and surfacing for the entire length of the over 7,100-foot-altitude crossing which extends from Soda Springs to the west end of Donner Lake.

ANOTHER SON BORN TO BURNS FAMILY

Another boy has been welcomed into the home of Mr. and Mrs. Chet Burns of Grass Valley with the July 23 arrival of Bret Matthew who first weighed 7 pounds, 3½ ounces, according to a note received from his mother.

There are now four boys and two girls in the former Truckee family who usually spend their vacation at Donner Lake.

ACCIDENTS

(Continued from Page 1)

by a car driven by Haskell Nored of San Francisco.

William H. Kedney, 56, Port Costa, was hospitalized for treatment when the pickup he was driving had mechanical trouble near Hirschdale Monday at 5 a. m. and plunged over a bank. Investigation showed a tie rod had broken.

Eleanor N. Murphy, 23, Soda Springs and her passenger, William E. Collins, 29, Stockton, were taken to the hospital Monday at 6:30 a. m. after the car she was driving ran into a parked car owned by the R. A. Heintz Construction Company near Donner Lake.

Both Thomas McNeill of Denice and J. White of Kings Beach were cited when their cars collided at Kings Beach Sunday at 12:30 p. m. injuring Timmy Armstrong, 8, of Kings Beach, a passenger in the White car.

No one was injured last Wednesday when vehicles driven by George W. Davis, 22, and Thomas N. Lakey, 25, both of Truckee were involved in a car crash on the main street in Truckee at 6 a. m. Davis was cited for backing out from a parking space without sufficient clearance.

BIRD, BOTTLE WILL BE REOPENED TODAY

Bogomar Pfeifer, well known in the Lake Tahoe area, announced this week that he has purchased the Bird and Bottle dining room and lounge at Deerfield Village from G. E. Lewis and will open the establishment today with a buffet between 5 and 8 p. m.

Matt Toman of San Francisco is manager and Joseph Kelly will be in charge of the dining room with Joe Pellitier at the bar.

Complete dining service with a hof brau is being featured. The public is invited to the opening today.

Sammets From Bay—

Mr. and Mrs. Henry Sammet are spending some time at Donner Lake, coming from their residence at Richmond.

Go To Modesto—

Mr. and Mrs. Tony Besio left for their home at Modesto following a visit with his brother and sister-in-law, Mr. and Mrs. Ange Besio.

GOLLY, I'M BORED! THERE'S JUST NOTHING TO DO AROUND HERE!
ELLA, DO YOU S'POSE PA'D LIKE TO GO TO THE AMUSEMENT PARK TODAY?
BLACKIE, YOU COULDN'T GET HIM TO TAKE US THERE ON A BET.
HEY! THAT'S A TERRIFIC IDEA, ELLA! YOU SAID IT! THAT'S IT! --- A BET!
SNAP!
WHAT DO YOU MEAN?
LISTEN---HERE'S WHAT YOU DO--- BZZZ--BZZZ--BZZZzz---
SAY, PA, I WISH YOU'D TELL ME SOMETHING ABOUT AUTOMATION! I KNOW IT'S YOUR FAVORITE SUBJECT!
IT SURE IS, ELLA, BECAUSE IT'S MAKING SUCH CHANGES IN THE WORLD WE LIVE IN!
JUST TAKE THE AUTOMOBILE--- IT HAS AN AUTOMATIC STARTER---AUTOMATIC GEAR SHIFT, BRAKES AND WINDOWS! IT EVEN STEERS AUTOMATICALLY!
BUT, YOU CAN BET THERE'S ONE THING THAT AUTOMATION CAN'T REPLACE! THAT'S THE DRIVER!
THERE'S AN AUTOMATIC DRIVER, TOO--- --AND, IF YOU'RE WILLING TO BET, I CAN PROVE IT!
THAT'S A BET!
SHAKE ON IT!
THAT'S A SNEAKY WAY TO WIN A BET---BUT I'M GLAD I LOST! I'D FORGOTTEN HOW MUCH FUN THIS IS!

Tarzan

by EDGAR RICE BURROUGHS

PSSST! CHIEF CHA COMES...ANGRY!

IN THE PRIMITIVE PYGMY FOREST, A MYSTERY MAN... THE PYGMIES CALL 'TAR-ZAN.'

RETURN TO YOUR WORK, BANTIS! K'WAAA! WE CARRY THIS TAR-ZAN HERE, AFTER WE FIND HIM ALMOST DEAD! WE MAKE TREEHOUSE FOR HIM! WE BECOME HIS SLAVES! E-K'WA! I KILL MEAT FOR HIM... LAST TIME!

Copr. 1961, Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat Off.
Distr. by United Feature Syndicate, Inc.

CHIEF CHA SPEAKS WISE ANGER! THIS APE-MAN IS BIG TROUBLE FOR US! I MAKE HIM BIG BOW AND ARROWS--BUT HE GOES NOT INTO FOREST TO HUNT HIS MEAT!

TRU-TRU! BUT I THINK TAR-ZAN HAS BIG SORROW--BECAUSE LITTLE APE IN HIS ARM WAS DEAD WHEN WE FOUND THEM!

I WILL KILL MEAT FOR HIM...UNTIL HIS SORROW ENDS! THEN..

NA-NA! THE DEER I KILLED FOR HIM TODAY WILL BE LAST MEAT WE BANTIS GIVE HIM! WE HAVE MUCH WORK TO DO--FOR BANTI PEOPLE!

MAN WHO IS NOT A MAN-OR APE WHO IS NOT APE-IS NOT GOOD FRIEND.. FOR US! RETURN TO YOUR WORK, BANTIS!

BILL ELLIOTT JOHN CELARDO

HEAR WHAT I SPEAK, TAR-ZAN OR APE-MAN...OR WHATEVER YOU ARE! MY BANTI PEOPLE HAVE BEEN KIND TO YOU! BUT I, CHIEF CHA OF BANTI COUNTRY, DO NOT LIKE YOU--WHO EATS ONLY RAW FLESH! YOU LEAVE BANTI COUNTRY...TOMORROW!

ME...TAR-ZAN! UG-GLUB! ME...TAR-ZAN!

Copr. 1961 by United Feature Syndicate, Inc.

BRAZIL IS THE ONLY LATIN-AMERICAN COUNTRY THAT DERIVES ITS SPEECH FROM PORTUGAL!!!!

SPRING TIDES HAVE NOTHING TO DO WITH THE SPRING SEASON--THEY OCCUR THROUGHOUT THE YEAR!

EDMOND ZIEGLER, of Selestat, France, 95 YEARS OLD, HAS BEEN DRIVING AN AUTOMOBILE SINCE 1885 AND HAS NEVER HAD AN ACCIDENT!

THE LIQUID LATHE, A CANNON-LIKE MACHINE, DELIVERS A NEEDLE POINT OF LIQUID UNDER THOUSANDS OF POUNDS PRESSURE TO CUT THROUGH CEMENT, WOOD AND PLASTICS!!!

-North American Aviation-

Toodles

By Jay BAERS

JUST LOOK AT YOUR-SELVES, PENNY AND PAT-WE'RE ALL READY TO GO TO UNCLE JOE'S AND YOU BOTH NEED BATHS ALL OVER AGAIN!

YOU TOOK SO LONG WE DECIDED TO MAKE SOME MUD PIES WHILE WE WERE WAITING.

B-6

WELL I HAVE NEWS FOR YOU. WE'RE NOT GOING! BY THE TIME YOU GET DRESSED AGAIN IT WILL BE TOO LATE!

CAN'T YOU JUST BRUSH US OFF A LITTLE?

NO WE CAN'T!

YOU HAVE TO BE SCRUBBED FROM HEAD TO TOE!

YOU HAVE BOTH BEEN IMPOSSIBLE ALL WEEK AND THIS IS THE LAST STRAW-

FROM NOW ON I'M GOING TO KEEP A DAILY CHART ON THE BEHAVIOR OF EACH ONE OF YOU—

AND ON SATURDAY, THE MEMBER OF THE FAMILY WHO HAS BEEN THE MOST OBEDIENT, WILL GET A REWARD!

THAT'S NO FAIR!

DADDY'LL WIN IT EVERY TIME!!
